LUB-O-GARD™ “B”

Multi-Purpose Industrial Grease.

PRODUCT DESCRIPTION:

Lub-O-Gard “B” is an amber colored, light bodied, multi-purpose grease for general lubrication applications. By combining a high quality base lubricant with special non-melt thickeners, Lub-O-Gard “B” is able to provide both high and low temperature performance. It has excellent shear and mechanical stability, excellent pumpability in both high and low temperatures and offers good rust and corrosion protection. This unique combination of characteristics makes it an excellent choice for almost all general lubrication requirements covering a wide variety of applications.
